

900 E Midvalley Rd – 435-586-1119

**RULES, REGULATIONS AND DEFINITIONS FOR
HYDRANT METER USE**

Hydrant Meter is a large meter that is commonly used for subdivision construction and road installation, etc. It is metered and billed by the monthly water usage and rental fee. Meters will be submitted to the Water Superintendent to be read and inspected by the 15th day of each month.

Customer will contact the Enoch City office to request that the meter be picked up for termination of account, or if the meter will be moved to another work site. Hydrant meters require a hydrant key for placement on the fire hydrant. Do not attempt to remove meter without an approved hydrant key. Deposit requirement is \$2,000.00 with the first month's base fee of \$39.00. The fees assessed for the use of water from the fire hydrant are as follows: For culinary, \$39.00 a month base fee plus \$3.00 per 1,000 gallons of water used or any fraction thereof over the base amount of 20,000 gallons. If using irrigation water, a \$39.00 base fee plus \$2.25 per 1,000 gallons of water used or any fraction thereof over the base amount of 20,000 gallons. A maintenance fee of \$75 per month is required. If the monthly invoice is not paid in full by the established due date, an additional \$250.00 penalty fee will be applied.

Rules and Regulations:

Customer will need to contact the Enoch City office to schedule the use of a meter. Customer will need to complete the application for service and pay the required deposit and usage fee prior to receiving the meter. Customers will submit the meter to the Water Superintendent by the 15th of each month for reading and inspections. Failure to submit meter for reading and inspection within 30 days will result in a \$250.00 monthly penalty. If a customer fails to return the meter after six months, the customer shall forfeit the deposit and shall be subject to further penalties

Any use of City water from a source where permanent connection has not taken place without a meter as provided herein shall be unlawful. Any person violating any provision of this Ordinance shall upon conviction be punished by a fine not exceeding one thousand dollars (\$1,000.00) or by imprisonment not exceeding six months (6), or by both such fine and imprisonment.

Customer agrees to maintain hydrant meter to avoid damage caused by freezing during winter months. The city recommends the valve be drained each time it is removed from the hydrant. If the meter or valve is lost, stolen or damaged, customer will be required to replace at the customer's expense.

Deposits: After termination of an account, the amount due will be applied to the deposit and then a refund check for the balance will be issued. Please contact the Enoch City office for all correspondence regarding the meters. The person, persons or entity to which a meter is issued accepts all liability for any loss, damage or injury sustained by any persons or entity to which such meter is issued.
